CHANGES FOR FAIRLAWN LUTHERAN SCHOOL'S 2022-2023 SCHOOL YEAR

A November parent survey helped to inform several changes that we hope will be helpful to current and new school families.

NEW - ALL-DAY 5s CLASS OFFERING

We are excited to be adding an all-day 5's class that will meet from 9:00am to 2:45pm. This will give students the opportunity to expand on lessons and is available to students who will turn 5 by December 31 AND have completed a full year of preschool the year prior. These students will still have the same opportunity to participate in soccer, dance and music offerings held during the Lunch Bunch hour. Half-day 5s classes will still be available as we recognize some students are not ready for full-day classes 5 days per week.

CLASS SCHEDULE CHANGES TO HELP PARENTS

The parent survey revealed that small changes to the schedule would enable parents with children at other schools to pick up siblings on time. The following are the new class schedules – the Parent-Child 2s class hours will remain the same, 9:00-10:30am:

- Preschool class time will increase by ½ hour – 9:00am to Noon
- Kindergarten class time will be 9:00am to 3:00pm – this is 15 minutes shorter than last year, but was adjusted so that families would be able to pick up siblings in other schools on time. There is no tuition increase for Kindergarten due to the new schedule.
- Lunch Bunch hours will be adjusted to Noon-1:15pm.
- Enrichment hours will be adjusted to 1:15-2:45pm.
